AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on circular welded carbon-quality steel pipe from Oman, Pakistan, and the United Arab Emirates would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATES: February 4, 2022.

The Commission found that the domestic interested party group response and the respondent interested party group response from the United Arab Emirates to its notice of institution (86 FR 60289, November 1, 2021) were adequate, and determined to conduct a full review of the order on imports from the United Arab Emirates. The Commission also found that the respondent interested party group responses from Oman and Pakistan were inadequate but determined to conduct full reviews of the orders on circular welded carbon-quality steel pipe from those countries in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to the United Arab Emirates. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.

AUTHORITY: These reviews is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.
